CHEAP LANDS IN THE WEST.

Along the lines of the BURLINGTON ROUTE between Nebraska, Colorado, Wyoming and northern Kansas, parties desiring to invest in new sections in that territory, there is still some question as to what prevailing settlement, as well as other cheap land held by individuals. The lands are among the best to be had anywhere in the country for agricultural and grazing purposes. In the territory mentioned above, there are improved farms, which can be purchased at a very low rate of the class of tractors power section and other machinery and stock raised in "farther West." In the territory embraced by the Burlington route, the Missouri River, there are many fine farms and ranches

new profit, which offer to manufacturers and
will present an excellent opportunity to locate
your plant. Send to the undersigned for in-
formative pamphlets and other matter giving
details and full particulars concerning these
lands.

Epps's Cocoa.
GRATEFUL-COMFORTING.
EPPS'S COCOA.
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and assimilation, and by applying to the principles of these laws the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately nourishing beverage, whence many have obtained the most healthful food. It is by the judicious use of such articles of diet that a constitution may be brought to such a state of well-being that the body may resist every tendency to disease, and hundreds of weakly people are brought around to a fair and healthy condition. We may escape mere feverishness by the use of such food, but it will do us no good if we keep ourselves well fortified with pure blood and a healthy stomach."

"Gazette."
 Sold simply with boiling water and milk. Sold
 only in half-crown tins by Grocers, labelled thus:
